

### GAFCON 2018

'We will proclaim Christ faithfully to the nations' was the frequent war cry of 2,000 delegates from 50 nations throughout the week in Jerusalem at GAFCON, 17 to 23 June.

We were encouraged and challenged by teaching from Luke 22 to 24. Having spent the week in the old city, I imagined the events of Jesus' trial, death, burial and resurrection in a new way. 'It all happened around here' I thought to myself.

The structure of the conference was 'God's gospel', 'God's church' and 'God's world'. The Church of God which was built on the gospel and is sustained by the gospel, so easily departs from the true gospel and forgets the desperate need of the world to hear the good news. We were reminded and challenged once again, while hearing testimonies from different parts of the world where they struggle from attacks within and outside the church.

Why GAFCON? The formal leadership of the Anglican Communion has let us down. Parts of the Anglican Communion (mainly from the West) have promoted a false gospel and departed from the teaching of the Scriptures. A presenting issue has been human sexuality as parts of the communion have followed the ways of the world and abandoned Scriptural teaching. The leadership has failed to discipline those parts of the communion. Faithful churches in those parts of the communion have not been adequately cared for and languish in denominations that were meant to support them. GAFCON exists to support those churches, to call out false teaching, call for repentance and encourage all of us to stand firm. GAFCON demonstrates that the majority of the Anglican Communion wish to remain faithful to the Scriptures and that the formal leadership has not represented us well on these issues.

It was also a marvellous opportunity to renew friendships from around the world and forge new ones. I am grateful for the opportunity to have attended and to be a part of the GAFCON movement.

In Christ, Gav  
Pastor
